RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Dear Sir:

This paper is responsive to the Notice of Non-Compliant Amendment dated December 15, 2005.

Applicants respectfully traverse the finding of non-compliance and respectfully submit that the Amendment filed on September 26, 2005, (the "Amendment") is fully compliant with U.S.P.T.O. requirements.

It is believed that the Amendment originally submitted on September 26, 2005, is in compliance with regard to the repetition of claims 11 and 12. In summary, the application as originally filed included two instances of claims 11 and 12. The Amendment cancelled the first instance of claims 11 and 12 (which were rewritten as new claims 73 and 74) and properly retained the second instance of claims 11 and 12. The corrective action taken with regard to the two instances of claims 11 and 12 was explained on page 21 of the Amendment under the heading "Claim Objections."

Should any issues remain that might be subject to resolution through a telephonic interview, please contact the undersigned.

I hereby certify that this correspondence is being transmitted via facsimile to the USPTO on January 10, 2006.
